Responder - Primeira Pergunta

The image shows a smartphone screen with a survey application. At the top, the status bar displays signal strength, Wi-Fi, battery, and the time 12:30. The app's title bar is dark with the text 'Responder Pesquisa'. Below this is a progress indicator consisting of 10 numbered circles, with the first circle (1) highlighted. The survey question is in Portuguese: 'Sobre a Administração da empresa, ela deve estar preparada para uma greve de caminhoneiros?'. There are five radio button options: 'Concordo' (selected), 'Concordo parcialmente', 'Discordo', 'Discordo parcialmente', and 'Indiferente'. At the bottom of the question area are two buttons: 'Anterior' (disabled, grey) and 'Próxima' (active, dark). The bottom of the screen features a navigation bar with four icons: a list, a magnifying glass, a clipboard with a checkmark, and a document with an arrow. The Android navigation bar is visible at the very bottom.
